

A vibrant orange background featuring the words "Happy Easter" in large, white, stylized letters. The text is surrounded by decorative elements: a yellow chick on the left, green leaves and orange berries forming a wreath-like border, and several colorful Easter eggs (one blue with stars, one green with patterns, and one orange) at the bottom. A slice of orange is also visible on the right side.

Happy Easter

Happy Easter

Let us wish to share the joy of changing seasong with you
