It's never too late to learn a new skill.

Be Brave

Yes, you can do it. Make the first step bravely. Don't think too much.

Be Confident

Belive in yourself you are the best designer. You have unique ideas which others don't have. Always be confident.

Be Diligent

Geniuses are made, not born. Be diligent and do enough practices. This is the right path to success.

Be Creative

Be unique. Don't copy others' ideas, or at least, get innovation upon others' works. Use your own imagination and boost your creativity.
