

## Translation Process

Generally, a translation process consists of three major steps.

- Analyze:
1. Grammar
  2. Meaning
  3. Context
  4. Logic

1. Convey the original content and ideas completely.
2. Keep the original style.
3. Apply smooth, acceptable and idiomatic expression in the target language.

- Standards
1. Fidelity in meaning
  2. Authenticity in expression
  3. Affinity in style
  4. Identity in form.
